[Submitting a Foreign Claim for Processing](#)

The most important item when submitting foreign claim, is it must be submitted on a Blue Card World Wide (BCWW) claim form. In addition, the 3 letter alpha prefix (UUE) **must** be on the form for the claim to be processed correctly. Bullet #2 below provides a direct link to the BCWW web site as well as a copy of the BCWW claim form.

- Foreign claims should **NOT** be sent to Blue Shield of California. Members and providers should send the claim form and required documentation directly to BCWW, at the below address.

BlueCard Worldwide Service Center
P.O. Box 261630
Miami, FL 33126 USA

- As noted above, the BCWW requires a different submission form (see attached). The BCWW web site has additional details as well as an electronic copy of the form. Below is the link:

- Not all foreign claims go to BCWW. For example, claims from Cruise ships, dental providers, and prescriptions, should be sent directly to the fund.
- Most member reimbursements will be sent from the Fund, however, all claims should be sent to BCWW for processing.
- Phone Number – 1-800-810-BLUE
