WHAT IS A MAIL ORDER PHARMACY?

EnvisionMail is a fully licensed pharmacy staffed with licensed pharmacists and certified pharmacy technicians. EnvisionMail offers convenient and affordable mail delivery of prescription medications directly to your home, office or location of your choice. There are no fees for standard shipping.

Using a mail order pharmacy may reduce or eliminate your monthly pharmacy visits for maintenance medications taken on an ongoing basis.

Medication Dispensed per Order

WHAT ARE MAINTENANCE MEDICATIONS?

Maintenance medications are used to treat long-lasting or chronic conditions and are taken for extended periods of time. They include medications for blood pressure, arthritis, heart conditions, birth control, cholesterol, asthma and others. EnvisionMail is a convenient, dependable and less expensive way to obtain your maintenance medications.

ENVISIONMAIL BENEFITS

- Highest level of service
- Affordable, easy & convenient
- Home or office delivery

HOW CAN MAIL ORDER HELP ME COMPLY WITH MY DOCTOR'S PRESCRIPTIONS?

To ensure you don't run out of your medication, we offer refill reminders. Depending on the drug you're taking and your plan, we may be able to provide automatic refills. This service monitors your prescriptions, processes your next available refill and charges the credit card on file for any applicable copays or coinsurance. Controlled substance and refrigerated medication prescriptions are excluded and certain restrictions apply. Please call customer service for more detail.

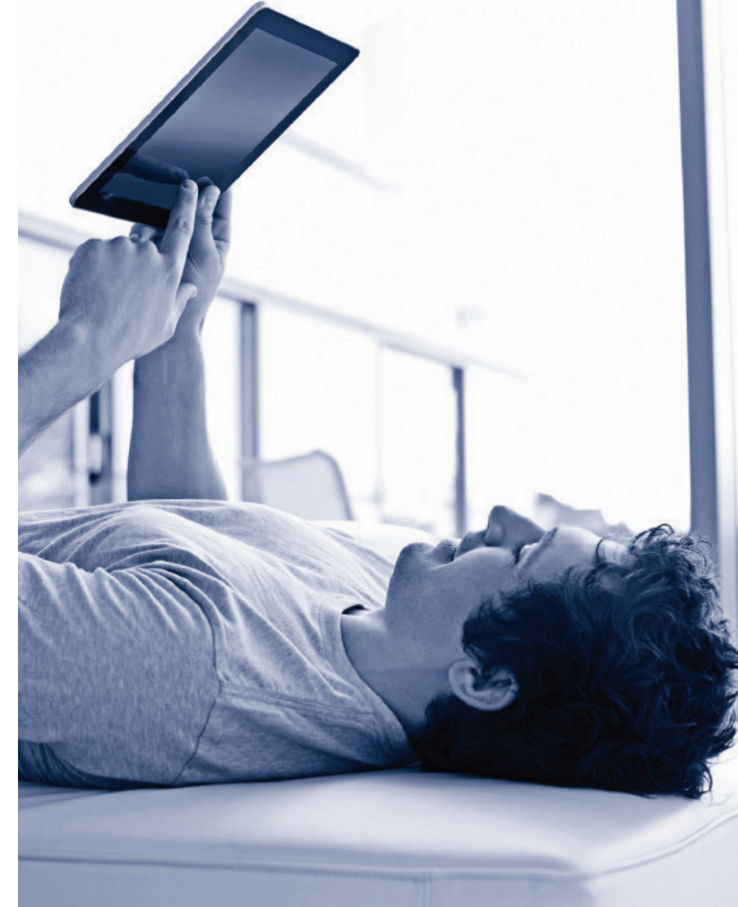

HOW DO I START USING THE MAIL ORDER PRESCRIPTION DELIVERY PROGRAM?

To obtain your mail order prescriptions from EnvisionMail, you will need to set up an account before ordering. Options for creating an account:

- Register online at envisionpharmacies.com
- Complete an enrollment form from EnvisionMail.

HOW DO I ORDER NEW PRESCRIPTIONS?

Mail original new 90-day prescriptions to EnvisionMail or have your physician fax them directly to our office. EnvisionMail also accepts e-prescribing direct from your physician's office.
