ACTIVE OTHER INSURANCE INFORMATION FORM

SECTION 1: INSTRUCTIONS

Why Does Other Insurance Information Matter?

Other Insurance can be defined as any other medical insurance, dental insurance, or prescription coverage that you or your dependents may have through an insurance policy other than the health benefits provided by the Plan.

For example, you may cover your dependent child under your health benefits provided by the Plan and at the same time, your Spouse/Domestic Partner may cover the same child under health insurance provided through your Spouse/Domestic Partner's own employer.

The Trust Fund needs to know if you, your Spouse/Domestic Partner and/or your dependent children are covered under any other health insurance so that we can coordinate payment of your health benefits. This will ensure your claims are paid correctly and on time.

SECTION 2: MY INFORMATION

Please provide your basic identification information

First Name _____ Last Name _____ Member ID # / SSN _____

Address _____

City _____ Zip _____ State _____

Home Phone _____ Cell Phone _____ Union Local _____

SECTION 3: COMPANY LETTER INQUIRY

Your Spouse/Domestic Partner is required to take other health insurance if insurance is offered by your Spouse/Domestic Partner's current or former employer. If your Spouse/Domestic Partner's employer does not offer insurance, you will be required to send the Trust Fund Office a letter on that employer's company letterhead stating that no insurance is offered. This letter is due back to the Trust Fund Office no later than 30 days from the date of this signed form.

☐ ✓ **Check this box if your Spouse/Domestic Partner (if applicable) is currently employed.**

If this box is ✓ checked, you will need to supply a letter from your Spouse/Domestic Partner's current employer on their company letterhead stating that no insurance is offered by the employer. Or if health insurance is offered by your Spouse/Domestic Partner's current or former employer, and your Spouse/Domestic Partner is enrolled in such insurance, please provide the other insurance information in **Section 4** *below*. If your Spouse/Domestic Partner's current or former employer offers health insurance, but your Spouse/Domestic Partner is not enrolled in such insurance, it is your responsibility to report this to the Trust Fund Office immediately.

SECTION 4: PROVIDE OTHER INSURANCE POLICY INFORMATION

If anyone in your family, including yourself, has other insurance, please fill out the insurance policy information and who is covered under that other insurance policy. Your family may have more than one other insurance policy, we ask that you provide the TFO with the details for each individual insurance policy.

Please ✓check whether the insurance is provided by an employer, the government, or ✓check "Any Other Coverage" if it is another type of health benefit coverage not listed.

If you have no other insurance coverage, please ✓check "None" and remember to initial and sign the last page of this questionnaire.

UFCW & EMPLOYERS BENEFIT TRUST
AUTHORIZATION FOR PAYROLL DEDUCTION FOR EMPLOYEE PREMIUM CONTRIBUTION

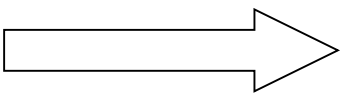
NAME _____LAST 4 DIGITS OF **SOCIAL SECURITY NO.**_____
(PLEASE PRINT)

I hereby request the Trust Fund Office (TFO) establish coverage for the dependents I am enrolling under the UFCW & Employers Benefit Trust Fund, as listed below.

I authorize my employer to withhold the required weekly premium amount from my paycheck and to remit the payment directly to the UFCW & Employers Benefit Trust Fund. If I qualify for participation in the Wellness Program, sometimes referred to as Health Care Partnership (or "HCP"), my Wellness Program (HCP) premium amount for coverage of my enrolled dependents will be the weekly amount shown on the back of this page under the heading "Wellness Program Premiums" based on the number of dependents enrolled on my plan. I acknowledge that if I do not complete all of the Wellness Steps required to be eligible to participate in the Wellness Program (HCP), I will be deemed to have instead elected not to participate in the Wellness Program. If I am not eligible to participate in the Wellness Program, my Non-Wellness Program premium amount for coverage of my enrolled dependents will be the weekly amount shown on the back of this page under the heading "Non-Wellness Program Premiums" based on the number of dependents enrolled on my plan. If I graduate into a higher benefit level and my dependent premium rates are reduced as a result of my graduation, I expressly authorize my Employer to withhold the required premium amount for coverage of my enrolled dependents related to my new benefit level. I understand that if my Employer cannot deduct the required premium amount from my paycheck, the Trust Fund Office will bill me for the required premium amount, and that it is my responsibility to make timely payments to the UFCW & Employers Benefit Trust Fund by the applicable due date, or coverage of my dependents will be suspended.

I understand that if my employer maintains a "cafeteria plan" under Internal Revenue Code Section 125, the required premium amounts will be withheld on a pre-tax basis, unless I affirmatively elect to decline coverage. I expressly authorize these required premium amounts to be withheld on a pre-tax basis and I understand that my authorization will stay in effect for future years if I do not make any election changes and if the premium amounts for coverage remain the same. I also understand that I cannot change my coverage elections during the plan year unless I experience a change in status event which would permit such a change under the Plan (regardless of whether or not the required premium amounts are withheld on a pre-tax basis). In addition, if these required premium amounts are withheld on a pre-tax basis, I understand that I also cannot change my elections unless the change is also permitted under the applicable cafeteria plan rules.

I understand that, in order to establish coverage for my dependent(s), I must continue to satisfy the Plan's eligibility rules, including the hours' requirements for dependent coverage, and I must pay the required premium amount for the month in advance of the month of coverage.



Please check the appropriate box(es) below based on your current Plan level and the elections made during the Graduation process:
